Assembly passes bills removing government red tape

MADISON, Wis. – State Rep. Joe Sanfelippo, R-New Berlin, released the following statement regarding two bills that were passed as part of the Assembly Republicans' red tape review agenda.

“After hearing from health experts as part of our red tape review, we drafted Assembly Bills [619](#) and [871](#), which aim to ease the regulatory burdens on medical schools and the chiropractic profession by cutting through government red tape.

These two bills will help Wisconsin's business climate by removing this unneeded red tape and eliminating burdensome rules from our everyday lives.”
